Claudia and the Welcome to School

A Mrs. Bear and Claudia Story

Mrs. Bear welcomed Claudia to after-school reading corner. Today the group would practice welcome to school. At first, Claudia rushed into the welcome to school activity before hearing every direction. Claudia frowned and wanted to stop. Mrs. Bear knelt beside her and said, "Let's make a plan." Together they decided to pause, listen carefully, and divide the work into clear steps. Claudia tried again. Soon, the group completed the welcome to school challenge and could explain what helped. Claudia smiled. She learned that cooperation grows when we pause and make thoughtful choices. Mrs. Bear wrote the word cooperation on the board and asked the group to remember it tomorrow.
