Back-to-Back Teamwork

A Mrs. Bear & Claudia Story

Mrs. Bear welcomed Claudia to the activity room. Today the group would practice cooperative stand up. At first, Claudia and her partner tipped sideways because they moved at different times. Claudia frowned and wanted to stop. Mrs. Bear knelt beside her and said, "Let's make a plan." Together they decided to count to three, press their backs together, and move slowly. Claudia tried again. Soon, they stood up and invited another pair to join. Claudia smiled. She learned that cooperation works when everyone listens and moves together. Mrs. Bear wrote the word cooperate on the board and asked the group to remember it tomorrow.
