Spice Art

Materials: Black construction paper, glue, assorted ground spices (cinnamon, paprika, turmeric, etc.)

1. Squeeze/paint a picture design in glue on black paper.
2. Sprinkle different spices onto the glue lines.
3. Shake off the excess - the spices create a textured, fragrant picture (a fun tie-in to the sense of smell).

Also offered today: Journals - about eating your favorite food.

A finished-example photo exists in the Instructions packet, but the image bleeds off the printed page edge with no usable crop - not embedded for this reason, not skipped for time.

Enrichment & Reference Pages (Back of Workbook)

These pages are not tied to a specific day -- pull them out anytime for free choice, small group, or a take-home extra. All are additional/required-every-month content, built fresh for September.

Numbers 1-10 (Workbook Pages 22-31)

A trace-and-color page for every number 1 through 10, sourced from the Creative Math Lab counting/number-tracing pamphlet. Number 2 is the one exception: the pamphlet does not include a page for 2, so it was built fresh to match the same trace-count-write layout as the real pages around it.

Square & Rectangle Practice Cycle (5 bonus pages)

A five-day Trace / Count / Hunt / Big & Little / Hop cycle for this month's Math Circle shapes (square + rectangle, taught together every week this month, so one combined cycle covers both). All five are original, extra-practice bonus pages.

Shape Review (bonus page)

Reviews this month's two shapes (square, rectangle) alongside the two shapes from August (circle, triangle) -- four shapes total.

Colors (bonus page)

A bilingual English/Spanish color page -- the September grid does not name a specific color-of-the-month, so this is a general/rainbow reference page.

Vocabulary Cards (Workbook Pages 32-37)

Six real Kid City vocabulary pages tied to the My Family & Me theme: House, Mommy, Daddy, Mouth/Nose/Ear/Eye, Happy, Sad.

Verified against the Fours September weekly lesson-plan grid (image-rendered, not text-extracted) and the Fours September Instructions packet.
