TRY THIS AT HOME — EASING FIRST-DAY JITTERS

New beginnings can feel big for little hearts. Try a short, predictable **goodbye ritual** — the same words in the same order every morning, like: a hug → "one big wave at the window" → "I'll see you after snack." Keep goodbyes warm and quick (the long, teary lingering is what makes it harder). Predictable goodbyes help your child feel safe and settle faster. And on your walk in, make it a game — hunt for everything **red & yellow** and every **circle & triangle** you can spot!

A Note from Mrs. Bear

A brand-new school year is here, and our hearts are full! Whether your little one is walking through our doors for the very first time or coming back to familiar faces, please know we don't take your trust for granted. This year we'll learn, we'll grow, and we'll **Bee Cooperative** — together as one Kid City family.

Thank you for trusting us with your most precious gifts. Here's to a sweet, joyful year ahead! 🐝

With love & gratitude,
Mrs. Bear and the Sanford & DeLand 2 Kid City Team 🐝
