Materials: Journals (see Week 3 Friday), Pumpkin shape cut from orange paper, with the child's name written across it in bubble sections, Black paper (background), Scissors, Glue

Steps:

1. Journals: use an open-ended prompt — "Tell me a story about a farm animal," NOT a yes/no question — and let children draw and dictate/write their own Fall story.

2. Pumpkin Name Puzzle: cut out a pumpkin with the child's name written across it in sections, with lines drawn between the letters (note: use upper-and-lowercase, not all capitals, as the source examples show).

3. Let the child cut along the lines to break the pumpkin into name-letter puzzle pieces, then glue the pieces back onto black paper in the correct order to reassemble their name.
