Craft of the Day (Small Group)

Finger Paint Monster

Materials: A rainbow of washable finger paint, paper, pre-cut paper "eyes" with the black already colored in (NOT googly eyes — a choking hazard for this age), glue sticks

Steps:

1. Let each child finger paint freely across their paper with as many colors as they like — have fun with this one!
2. Once dry, let each child glue on as many pre-cut paper eyes as they want, wherever they want, to bring their monster to life.
3. Talk about the monster in today's story and how he says goodnight.

What it should look like:

Finger Paint Monster — reference photo from this classroom's Instructions packet.

Bonus Skill Building Activity (optional)

Silly Shape Monsters — Glue: Set out pre-cut circle, oval, and square shapes for children to glue together into their own silly monster.

Craft of the Day (Small Group)

Owl Silhouette Craft

Materials: White cut-out bat shapes, tape, black construction paper, sponges, orange/yellow/purple washable paint

Steps:

1. Tape a white bat cutout onto a sheet of black paper.
2. Let each child sponge-paint away with Fall colors (orange, yellow, purple) all around the taped bat.
3. Once dry, peel off the taped bat shape to reveal a black bat silhouette against the painted background — wrap up the month by reviewing everything learned about the farm and this month's square shape together as a class.

What it should look like:

Owl Silhouette Craft — reference photo from this classroom's Instructions packet.

Bonus Skill Building Activity (optional)

Fill the Square — Tear Paper and Glue Inside the Square: Give each child a large square outline and torn paper scraps to fill in — great fine-motor practice tied to this month's Math Circle focus shape.
